

NF Sub | 10 m | black

Product number	D1C21540
Weight	0.74kg
Length	70mm
Width	320mm
Height	220mm

Product description

Preassembled subwoofer cable for connecting active subwoofers to home-cinema systems! Just the thing for connecting active subwoofers to AV receivers. The inner conductor's large diameter and the coaxial design mean that this Oehlbach cable is particularly suitable for the transmission of low frequencies. The inner conductor made from oxygen-free OFC copper also guarantees absolutely precise and powerful bass reproduction. The effective copper-braid shielding eliminates any occurring signal interference and guarantees perfect transmission quality. The subwoofer cable is extremely flexible in spite of its being very robust and also comes with solid plugs that are responsible for creating the optimum contact.

Product properties

Inner conductor material	OFC - oxygen-free copper
cable length	10 m
Features	24kt gold plated contacts, Reliable contact, 30 years warranty**, German Technology
Plug type 1	RCA
Colour	Black
Quality level	Performance
Connection type	Audio
Plug type 2	RCA
Signal direction	IN/OUT
cable geometry	Round
Shielding	Multiple shielding
Product Category	audio cable
