

HI Stream | 10 m

Product number	D1C9387
Weight	0.65kg
Length	320mm
Width	40mm
Height	220mm

Product description

The HI Stream CAT 6 network cable from Oehlbach is the number one choice for lightning fast and absolutely error-free audio/video transmission in a home network. The highly flexible cable with triple shielding and an internal OFC conductor guarantees loss-free data throughput over distances up to 20 m. The HI Stream is equipped with gold-plated contacts for perfect contact reliability and transmission stability, while PVC sheathing ensures that the network cable is extremely tough.

Product properties

Inner conductor material	OFC - oxygen-free copper
cable length	10 m
Features	24kt gold plated contacts, Reliable contact, loss-free signal transmission, 30 years warranty**
Plug type 2	RJ-45
Product Category	Data cable
Shielding	triple shielding
Quality level	Performance
Surface condition	24 carat gold-plated contacts
Shielding construction	2 x aluminium foil + 1 x copper braiding
Connection type	Data
Plug type 1	RJ-45
Signal direction	IN/OUT
cable geometry	Round
Colour	White
