

Proln MultiLine | 14 m

Product number D1C8709

Weight 1.76kg

Product description

Preamsembled digital MultiLine installation cable with 19 separated and shielded inner conductors! The all-purpose cable with multiple shielding possesses a 19-pin plug with metric thread at both cable ends. This cable may be turned into a fully-fledged high-speed HDMI cable with Ethernet channel by screwing the Proln HDMI adapter on to it. The small 19-PIN connector head, which measures just 16 mm in diameter, enables simple routing of the cable in narrow conduits (as per EN 32). The 19-PIN installation sleeve allows the cable to be easily and conveniently pulled into empty conduits

Product properties

Inner conductor material	OFC - oxygen-free copper
Features	24kt gold plated contacts, 30 years warranty**
Product Category	Data cable
Colour	Black
Shielding	triple shielding
Surface condition	24 carat gold-plated contacts
Shielding construction	2 x aluminium foil + 1 x copper braiding
Connection type	Audio, Video
Quality level	Excellence
Connector material	solid metal plug
cable length	14 m
Signal direction	IN/OUT
Screen resolution	4K UHD 50/60 Hz
cable geometry	Round
