

## Jack SL | 2 m

Product number	D1C33037
Weight	0.117kg
Length	35mm
Width	145mm
Height	250mm

### Product description

The Jack SL is used for stable and high quality transmission of analogue stereo audio signals between portable media players and audio devices with a 3.5 mm jack. The highly flexible cable is also perfect for smartphones and tablet PCs, and thanks to its 24-carat gold-plated contacts and a high quality oxygen-free copper inner conductor, it ensures good contact and transmission reliability.
