

Easy Connect Antenna HD | white | 2 m

Product number D1C163
Weight 0.157kg

Product description

Experience flawless picture and sound quality in Full HD with the Easy Connect Antenna HD cable. The high-quality product offers first-class shielding with 3-fold shielding technology, consisting of 2 aluminum foils and 1 copper braid. This effectively blocks external interference signals, while the oxygen-free copper inner conductor ensures reliable transmission of high-definition sound and picture information. With a capacitance of 52 pF/m and a shielding effectiveness of 115 dB, this antenna cable meets the highest demands for quality and performance. Immerse yourself in an impressive entertainment experience with crisp images and first-class sound thanks to the Easy Connect Antenna HD cable.

Product properties

Product Category	antenna cable
Inner conductor material	OFC - oxygen-free copper
Features	24kt gold plated contacts, 30 years warranty**
Characteristic impedance	Eliminates high-frequency irradiation
capacity	52 pF/m
Shielding effectiveness	115 dB
Shielding	triple shielding
cable length	2 m
Plug type 1	antenna male
Screen resolution	1080p Full HD
Shielding construction	2 x aluminium foil + 1 x copper braiding
Plug type 2	Anntenna female
Signal direction	IN/OUT
cable geometry	Round
Colour	White
Quality level	Easy Connect
Connection type	Video
