

XL Air Absorb | Chrome

Product number	D1C55047
Weight	0.476kg
Length	40mm
Width	250mm
Height	145mm

Product description

Perfectly made vibration damper for acoustically insulating high-quality hi-fi loudspeaker boxes and home-cinema systems. They reliably prevent the transmission of undesirable resonance frequencies from the loudspeaker case to floor. These high-quality Oehlbach resonance dampers may, of course, also be used for other components within hi-fi and home-cinema systems.

Product properties

Housing material	metal housing
Features	Max. load bearing capacity 25 kg, German Technology
Product Category	Resonance damper
Colour	Chrome
