

Scope Audio Max | black

Product number	D1C17227
Weight	0.78kg
Length	446mm
Width	84mm
Height	97mm

Product description

The Oehlbach Scope Audio Max is the indoor antenna for all those who want more - more quality radio listening. It is a radio antenna like no other. Its futuristic design makes it a unique active indoor antenna for digital DAB+ radio. For excellent reception in any location, you can easily and quickly adjust the amplifier power on the rear panel. With a 24 carat gold-plated antenna plug on a 1.8 metre long antenna cable, the Scope Audio Max provides high-quality connection to all radios with external antenna input. A USB power supply unit is included for power supply. You can choose the colour - black or white for your Oehlbach Scope Audio Max indoor antenna.
