

i-Connect HS mini 180

Product number	D1C60090
Weight	0.115kg
Length	40mm
Width	250mm
Height	145mm

Product description

The 3-star Oehlbach i-Connect HS Mini not only guarantees high-quality and absolutely interference-free digital signal transmission thanks to the inner conductor made of oxygen-free copper and triple shielding, but also offers maximum flexibility. At one end, the i-Connect HS Mini is equipped with a conventional HDMI connector, while the other end uses the mini HDMI connector (type C), which is commonly used on tablet PCs and modern graphics cards. With a data rate of up to 18 Gbit/s, the transmission of UltraHD material and all modern audio transmission standards is possible without restriction.

Product properties

Inner conductor material	OFC - oxygen-free copper
Product Category	HDMI cable
Plug type 2	HDMI
Colour	Black
Plug type 1	Mini-HDMI
Shielding	triple shielding
Quality level	Performance
Connection type	Audio, Video
Screen resolution	4K UHD 50/60 Hz
cable length	1.80 m
