

## NF 1 M | 250 m | black

|                |          |
|----------------|----------|
| Product number | D1C91046 |
| Weight         | 0.077kg  |
| Length         | 375mm    |
| Width          | 375mm    |
| Height         | 200mm    |

### Product description

Outstanding, analogue allround audio interconnect cable with a symmetrical design, resistant against any stealth current. Sound characteristic: Warm and silkilysoft sound with an excellent staging and a powerful bass response, diameter 5.5 mm.

### Product properties

|                          |                                            |
|--------------------------|--------------------------------------------|
| Inner conductor material | OFC - oxygen-free copper                   |
| Colour                   | Black                                      |
| Quality level            | Performance                                |
| Connection type          | Audio                                      |
| cable material           | Robust plastic sheathing                   |
| cable length             | 250 m                                      |
| Shielding construction   | 1 x aluminium foil + 1 x copper braiding   |
| Artikel FH Exklusiv      | Ja                                         |
| Features                 | ultra thin single wires, German Technology |
| cable geometry           | Round                                      |
| Shielding                | Shielding conductor                        |
| Product Category         | audio cable                                |
