

Crystal Wire B40 | 5 m

Product number	D1C10781
Weight	1.3kg
Length	320mm
Width	65mm
Height	220mm

Product description

Excellently made stereo loudspeaker cable for connecting amplifiers and power amplifiers to loudspeaker boxes. Preassembled with banana connectors, this loudspeaker cable is suitable for amplifier performances of up to around 180 watts of power per amplifier channel. The cable has been made with thin stranded copper wires (0.125 mm) which means that it is very flexible and highly conductive. The use of oxygen-free copper (OFC) for the inner conductor also ensures that an extremely clear and true-to-life sound can be achieved with this loudspeaker cable.

Product properties

Inner conductor material	OFC - oxygen-free copper
cable material	plastic
power max.	For amplifier performances of up to 180 watts
Quality level	Performance
Colour	Crystal clear
Plug type 1	2 x banana plug
Connection type	Audio
Plug type 2	2 x banana plug
cable length	5 m
Connector material	solid metal plug
cable geometry	Flat
Product Category	Loudspeaker cable
Signal direction	IN/OUT
Features	30 years warranty**
