

Crystal Wire T25

Product number	D1C10775
Weight	1.6kg
Length	320mm
Width	65mm
Height	220mm

Product description

Excellently processed stereo speaker cable for connecting amplifiers or power amplifiers with speaker boxes. Pre-terminated with tube connectors, this speaker cable is suitable for amplifier power up to approx. 140 watts power per amplifier channel. It is constructed of 0.125 mm thin stranded copper wires, which makes the conductivity and flexibility particularly high. The use of oxygen-free copper (OFC) as the inner conductor material also ensures that this speaker cable has an extremely clear and lifelike sound image.

Product properties

Inner conductor material	OFC - oxygen-free copper
cable length	10 m
Plug type 1	Tube
Quality level	Performance
Colour	Crystal clear
Plug type 2	Tube
Connection type	Audio
cable geometry	Flat
Product Category	Loudspeaker cable
Signal direction	IN/OUT
Features	30 years warranty**
power max.	Recommended up to 140 Watt
cable cross section	2 x 2.5 mm ²
