

Scope Audio | white

Product number	D1C17226
Weight	0.49kg
Length	166mm
Width	138mm
Height	15mm

Product description

Small dimensions, big reception - that is the Oehlbach indoor antenna Scope Audio. With a powerful, newly developed receiver unit, it brings digital DAB+ radio in outstanding quality to all receivers with separate antenna connection. With its modern, timeless design, it cuts a fine figure everywhere. The Scope Audio is a compact, slim active radio antenna with adjustable amplifier power on the rear panel to adjust and optimise reception depending on location. The antenna is powered by a supplied USB power supply unit via a 1.8 metre long Y-connection cable with an integrated 24 carat gold-plated antenna plug. The Scope Audio indoor antenna is available in two colours: black or white.
