

# Impact Plus M1 | 2 m

|                |         |
|----------------|---------|
| Product number | D1C9251 |
| Weight         | 0.16kg  |
| Length         | 55mm    |
| Width          | 250mm   |
| Height         | 145mm   |

## Product description

The Impact Plus M1 ensures loss-free and interference-free signal transmission between a device with a display port and another component with a mini- display port connection. Properties identical to that of the Impact Plus also guarantee maximum contact reliability and an absolutely secure connection for the Impact Plus M1. The triple-shielded 4-star cable with tough, flexible sheathing produces transmission rates of up to 25.92 Gbits/s and supports both HDCP and DPCP with a maximum resolution of 5120x2880 pixels.

## Product properties

|                          |                                                                                                                                                                                   |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Inner conductor material | OFC - oxygen-free copper                                                                                                                                                          |
| Features                 | 24kt gold plated contacts, 20-pin plug, Resolution up to 5K (5120x2880), Reliable contact, Data transmission 25.92 Gbits/s / 810 Mhz, Supports HDCP and DPCP, 30 years warranty** |
| Product Category         | Data cable                                                                                                                                                                        |
| Plug type 2              | Mini-Displayport                                                                                                                                                                  |
| Colour                   | Black                                                                                                                                                                             |
| Shielding                | triple shielding                                                                                                                                                                  |
| cable length             | 2 m                                                                                                                                                                               |
| Surface condition        | 24 carat gold-plated contacts                                                                                                                                                     |
| Shielding construction   | 2 x aluminium foil + 1 x copper braiding                                                                                                                                          |
| Connection type          | Data                                                                                                                                                                              |
| Quality level            | Excellence                                                                                                                                                                        |
| Plug type 1              | DisplayPort                                                                                                                                                                       |
| Signal direction         | IN/OUT                                                                                                                                                                            |
