Firewire 4/4 | 3 m

Product number   D1C9142
Weight   0.19kg
Length   40mm
Width   250mm
Height   145mm

Product description

First-class 4-/4-pin FireWire cable for connecting PCs, video recorders, camcorders and other devices to FireWire interfaces in compliance with IEEE 1394. The high-quality inner conductors are made from silver-plated oxygen-free copper and therefore possess extremely good conducting properties where digital signals are concerned. Signal transmissions are stabilized by the effective shielding and the plug contacts plated with 24-carat gold. These Oehlbach FireWire connections guarantee the loss-free and secure transmission of data.

Product properties

Features	24kt gold plated contacts, 30 years warranty**
Product Category	Data cable
Colour	Black
Inner conductor material	SPC/OFC - silver-plated oxygen-free copper
Connection type	Data
Shielding	Quadruple shielding
Quality level	Excellence
Plug type 2	Firewire 4
cable length	3 m
Plug type 1	Firewire 4
Signal direction	IN/OUT
cable geometry	Round
Shielding construction	2 x aluminium foil + 2 x copper braiding
