Product description

60 ml cleaning spray including small microfibre cloth for perfect care of smooth surfaces or screens such as LCD TVs, Plasma TVs, TFT monitors and glass panels. The high-quality microfibre cloth cleans all smooth surfaces in a gentle and non-abrasive manner and can be easily washed at 30°C. This cloth is very fine and may be used with consistent quality even over long periods of time. Finger marks, dust and dirt may be removed very easily and extraordinarily effectively with this cleaner that contains no alcohol. The liquid is effective, environmentally-friendly and goes a very long way.
