

CoverCon O

Product number	D1C55065
Weight	0.037kg
Length	30mm
Width	170mm
Height	85mm

Product description

This open Cover Connector may be used for all inputs and outputs on hi-fi and home-cinema components. In the metal version, this premium Oehlbach cinch plug provides protection against the effects of external high-frequencies (HF signals) and dust particles that are mainly found to penetrate plus conductors. Such dirt is frequently the cause when a system starts producing undesirable sounds.

Product properties

Colour	Green
Connector material	High-quality fabric sheathing
Features	eliminates high frequency irradiation
Product Category	Plug/connector
Surface condition	24 carat gold-plated contacts
Quality level	Excellence
