

Flex Matrix MK II | 5 m | black

| | |
|----------------|----------|
| Product number | D1C42485 |
| Weight | 0.63kg |
| Length | 70mm |
| Width | 220mm |
| Height | 320mm |

Product description

High quality with sensational priceperformance ratio. This cable has an additional data channel (ethernet channel) and enables AV components, AV or media receivers for example, to be linked up to the Internet without the need of extra network cable. This groundbreaking High-Speed-HDMI® cable can be used even in tight spaces due to its new kind of connectors. Due to the plug that can be removed 180 degrees, cineastes are offered amazing flexibility. Silverplated OFC copper wires and the complex, 4-fold shielding enable interference-free full HD transfer of all current HDMI® formats right up to the most recent version.
