

Digital-AV MP

Product number	D1C8035
Weight	0.04kg
Length	375mm
Width	200mm
Height	380mm

Product description

Coaxial cable that, with its precisely defined impedance of 75 ohm, is equally suited for the transmission of digital data and audio signals as well as analogue video signals. With its silver-plated inner conductor and silver-plated shielding, this cable guarantees outstanding conducting properties with simultaneously high resistance to interference.

Product properties

Inner conductor material	OFC - oxygen-free copper, Foamed PE
Colour	Blue
cable length	500 m
Insulation: thickness	1.25 mm
Product Category	Digital audio cable
Connection type	Audio, Video
Quality level	Excellence
Signal direction	IN/OUT
Shielding	Multiple shielding
