Product description

The Oehlbach Libelle helps all vinyl lovers to precisely adjust their turntable for optimal sound. Our vial is a high-precision spirit level that reliably indicates the vertical alignment of a turntable on two axes. This vial is much more than an ordinary spirit level. Oehlbach has specially adapted it for use with a record player: it is light, has a finely tuned display and is very easy to use. For maximum vinyl listening pleasure, the small, round Oehlbach vial should not be missing from any record collection.
