

Silverline 40

Product number	D1C1020
Weight	0.104kg
Length	200mm
Width	220mm
Height	220mm

Product description

High-quality stereo loudspeaker cable for connecting amplifiers and power amplifiers to loudspeaker boxes. This loudspeaker cable is suitable for amplifier performances of up to around 250 watts of power per amplifier channel. This Oehlbach cable's outer sheath consists of a tough and flexible mix of plastics. At the same time, the inner conductor is made up of many individual wires that in turn have been twisted together to form bundles and thus produce a cable, which is extremely flexible and thus easy to lay. Oxygen-free copper (OFC) – which is known for its excellent transmission qualities – has been used as the inner conductor's material.

Product properties

Plug type 1	open end
Plug type 2	open end
power max.	For amplifier performances of up to 250 watts
Inner conductor material	SPC/OFC - silver-plated oxygen-free copper
Connection type	Audio
Quality level	Excellence
cable cross section	2 x 4.0 mm ²
Artikel FH Exklusiv	Ja
Product Category	Loudspeaker cable
cable geometry	Round
