

Opto XT-SL | 1.25 m

Product number	D1C33089
Weight	0.152kg
Length	35mm
Width	145mm
Height	250mm

Product description

Anyone who attaches significant importance to optimum signal quality for their digital audio connection will find a perfect partner in the 4-star Opto XT-SL cable. The preassembled cable in its rugged plastic sheathing ensures excellent contact reliability thanks to TOSLINK metal connectors with 24-carat gold-plated contacts. The innovative design of the cable and its ultra-fast fibre optics enable a data transfer rate of 125 Mbps, while the TOSLINK standard allows a data rate of just 12.8 Mbps. Thanks to the very low internal damping of the cable and the associated maximum luminosity, the digital signals are transmitted with perfect stability and an extremely high level.

Product properties

Colour	Black
cable length	1.25 m
Product Category	Digital audio cable
Inner conductor material	Fiber-Optic
Features	Reliable contact, 30 years warranty**, Ultra Bright
Plug type 2	TOSLINK
Connection type	Audio
Plug type 1	TOSLINK
Quality level	Excellence
Connector material	solid metal plug
Signal direction	IN/OUT
cable geometry	Round
Surface condition	Surface 24 carat gold plated
