

# BTT 5000

Product number	D1C6063
Weight	0.194kg
Length	60mm
Width	190mm
Height	105mm

## Product description

The acoustic quality of high-quality hi-fi components offers a life cycle that is difficult to reconcile with the volatility of current technologies. Thanks to the BTT 5000, proud owners of a powerful hi-fi system no longer have to look enviously at uncomplicated wireless streaming from a wide variety of music sources. The compact Bluetooth transmitter is the flexible link between the classic HiFi world and modern music streaming. Thanks to the included 3.5mm jack cable, the BTT 5000 can be connected to any equipment with a corresponding output. aptX guarantees artefact-free transmission of the signal in CD quality. A special feature of the BTT 5000 is "Dual Pairing" - two devices can connect to the transmitter at the same time.

## Product properties

Features	24kt gold plated contacts
Lizenzen	Bluetooth, Qualcomm aptX
Transmission standard	Bluetooth 3.0
Colour	Black
Temperature range:	-15 °C à +50 °C
Connection type	Audio
Quality level	Excellence
Plug type 1	3.5 mm jack socket, USB 2.0 Type A
Product Category	Electronics
Housing material	More than five Inputs
Bit depth	16 Bit
Signal direction	OUT
Sampling rate	Up to 44.1 kHz
