## HIGH SPEED HDMI® CABLE WITH ETHERNET

### EASY CONNECT HS.40

The Easy Connect HS.40 forms the interface of excellent quality and a high degree of price consciousness in the portfolio of the Oehlbach cable specialists. Thanks to data rates of up to 18 Gbit/s, the high-speed HDMI cable does, of course, support the full range of data volumes of the current 4K/UltraHD signals at 50 and 60 Hz. Up to 32 digital audio channels, including the new 3D audio formats Dolby Atmos, DTS: X and Auro3D, are transported to a connected AV device by the Easy Connect HS.40 without any losses. Solid metal connectors guarantee maximum signal stability, with additional data channels available for HDMI CEC and Ethernet.

#### x.v.Color

Connector material	High-quality fabric sheathing
