SIGNAL DIRECTION

OPTICAL DIGITAL CABLE EASY CONNECT OPTO.40

MSRP (19%): 21.99

The cable specialist Oehlbach has always stood for absolutely loss-free signal transmission and maximum high quality in terms of processing. The Easy Connect Opto.40 combines these attributes with a high level of operating convenience and completely unproblematic installation thanks to the enormous flexibility of the plastic cable. In spite of the flexible PVC jacket, the Easy Connect Opto.40 has a very high robustness. The 1.2m optical digital cable is equipped with high-quality TOSLINK connectors and is kept in black for discreet integration.
