

CABLE FOR HDMI® TO MINI-HDMI

I-CONNECT HS MINI 180

HIGH-SPEED HDMI® CABLE WITH ETHERNET **MSRP (19%): 39.00**

The 3-star Oehlbach i-Connect HS Mini not only guarantees high-quality and absolutely interference-free digital signal transmission thanks to the inner conductor made of oxygen-free copper and triple shielding, but also offers maximum flexibility. At one end, the i-Connect HS Mini is equipped with a conventional HDMI connector, while the other end uses the mini HDMI connector (type C), which is commonly used on tablet PCs and modern graphics cards. With a data rate of up to 18 Gbit/s, the transmission of UltraHD material and all modern audio transmission standards is possible without restriction.
