

CoverCon O

Artikelnummer D1C55065
Gewicht 0.037kg
Länge 30mm
Breite 170mm
Höhe 85mm

Produktbeschreibung

Oehlbach CoverCon O RCA connectors are designed for high-quality audio connections. They feature a precision-machined brass shell and a gold-plated contact tip, ensuring optimal signal transmission and durability. The green and gold finishes are not only aesthetically pleasing but also provide excellent corrosion resistance. The connectors are compatible with standard RCA equipment and are known for their exceptional performance in HiFi systems.
