

Front view of the Oehlbach USB B connector. The device is a rectangular metal plate with a central USB B port. The port is a square-shaped socket with a gold-colored frame and a white plastic insert. Above the port, the Oehlbach logo (a red circle with a white 'O') and the brand name 'OEHLBACH' are printed. To the left of the port, the text 'USB B' is printed, and to the right, 'USB B' is printed. The plate is secured by four screws, one on each side of the port.
